DREAMS COME TRUE**

"Every stitch is special"

ABOUT THE COMPANY

Esila Triko is a factory of ready-to-wear knitted clothing, located in Turkey. with 5-7 and 12-14 multigaue machines.

WE ARE FULLY TRANSPARENT IN OUR PRODUCTION PROCESS.

Our factory is in Istanbul, the heart of Turkey's textile production industry, where we prepare our specialized and detailed products with 5-7 and 12-14 multigaue machines. We have a highly experienced, motivated and diverse team at Esila Triko that assist our customers along every stage of production with 25 employies.

WE CARRY OUT ALL PRODUCTION ACTIVITIES IN OUR OWN FACTORIES.

Esila Tekstil has a core production capacity of up to 300.000 pieces a year. We can also arrange for non-core production of tricot clothing.
